MAJORITY OF YESTERDAY'S RACES AT PIM-LICO GO TO FIRST CHOICES.

Hampton Court Reduces Track Record for Mile to 1:39 in Beating Cliff Edge in Owner's Handicap-Carman Stable Starts for Latonia.

Baltimore, Md., October 28.—While the card offered by the Maryland Jockey Club this afternoon did not boast of much in the way of class, results were extremely interesting. In a majority of the races the leaders came down the homestretch under hard drives and in four of them short heads separated the first two as the winning mark was passed. In the closing race three horses were so closely bunched at the end that the backers of each of them were confident that they had won. The official placing gave the race to St. Joseph, with Laughing Eyes second and Spes Nostra third.

The public got a break today, four of the seven purses being won by first choices. Withdrawals were again numerous and small fields went to the post in most of the races. The sixth race was reduced to a two-horse affair, August Belmont's Priscillian and Sotemia being the only ones of the four carded that went to the post. Priscillian was favorite at prohibitive odds. He led under slight restraint for the entire trip and won with much in reserve by a comfortable margin.

In the opening dash Stinger and Touche Me, the two colts that are to meet in a match race at Jamestown, went to the post and Stinger fairly made an exhibition of the others. He outbroke his company and, after drawing away into a long lead in the first furlong, he simply cantered the remainder of the distance. Touch Me was not a factor at any stage and was beaten off. On today's showing it would seem absurd to run Touch Me against a cold like Stinger and the chances are that the match will be declared off.

Black Chief was one of the good things put over by a shrewd coterie whose members have been nighly successful at Plimlico this fail. With Mechanolis of the most of the good things put over hy a shrewd coterie whose members have been nighly successful at Plimlico this fail. With Mechanolis afternoon and in a driving finish beat the favorite, Montealm, by a head.

S. C. Hildreth, who has been none too successful here, furnished the winner of the fifth race in Hampton Court, whi

gamely when it came to a drive. Hampion Courts mile.

R. F. Carman, evidently taking umbrage over the ruling against him yesterday, shipped his entire stuble to Latonia this afternoon. All of the Carman horses that were carded today were withdrawn by their owner.

Ed Whyte, trainer for the well-known Canadian sportsman, R. J. Mackenzie, was a visitor at Pimileo this afternoon. While Mr. Whyte announced that he is here on a vacation trip, it is pretty generally known that he is in search of some useful material to strengthen the stable that he contemplates shipping to California this winter. The Mackenzie horses are still at the Woodbine track in Toronto, where they will remain until the latter part of November before departing for the coast.

Jockey Eddie Taplin, who was injured as a result of a fall at Fort Erie, is up and about again and will be in good condition by the time the Mackenzie stable reaches California.

E. F. Cooney, James E. Maddux and James Rowe were among the visitors at Pimileo this afternoon. Silas Veitch has arranged to ship Grandpa, Hylda and Adventurer to Belmont Terminal to participate in the two-days steeplechase meeting that will be held at that track. At the conclusion of the meeting the horses will be shipped to Norfolk.

John Whalen will leave for Norfolk with the Belmont horses tomorrow night.

VETERANS OF THE TRACK WITH MODEST WINNINGS

The subjoined compilation of records of veteran racers of the track covers the careers of nineteen terses, most of which have raced frequently year in and year out for many seasons, but have comparatively most winnings to show for their efforts. Prominent among them are such well-known racers as Jack Narnally, the sensation of one season at Oakland, and now such a mediocre performer that he has succeeded in winning only a single purse this year: Prejuiclo, a sprinter that formerly raced with distinction in the colors of T. H. Williams, the virile and successful president of the New California Jockey Club; Try Boy, a Texan product that is still winning brackets against good opposition; Wool Sandals, well thought of as a two-year-old, but a horse that failed to race up to early expectations; Kiamesha Jl., winner of more races than any other embraced in the fist, and others whose names are equally familiar to the rank and file of those interested in racing. Doubtless readers of Daily Racing Form will find much to interest them in the tabulated records, which are as follows:

DAY OF DISAPPOINTMENTS

LATONIA HORSES FROM WHICH MUCH IS EX-PECTED RUN POORLY.

Disagreeable Weather Operates to Reduce Attendaance to the Regulars-Management Arranges for \$1,500 Special Race at Two Miles.

Cincinnati, O., October' 28.—Cold and bleak weather, with accompanying snow flurries, were disagreeable conditions that served as a drawback to Latonia racing this afternoon. The ordinary earl provided addeed as a further check in holding the attendance down to the regulars. Of these there are more here this season than at any former meeting. The smart set again experienced a disastrous session, all of the best-backed starters suffering defeat. Their downfall began with the opening race, and continued until Rellut scored over Hans in the closing dash. While this was not unexpected in the races where big fields furnished the contests, few were prepared for the poor showings made by Prince Gal and John Reardon in the handican that seemed to be at the mercy of one or the other of them. They landed distantly at the finish, Milton B., Dr. Holzberg and Joe Morris leading them in the order named. Prince Gal and John Reardon flattered their supporters for three-quarters by maintaining forward position, but in a twinkling Prince Gal went from a pull to a drive, and was soon thereafter relegated to the rear, while John Reardon quit almost to a walk when called upon. The victories of Stalwart Lad, Joyance and Fundamental were wholly unexpected. The last named two were grouped with others in the field.

The fifth race was followed by a five-days suspension and a fine of \$50 for lockey Warren, rider of Fair Louise. The punishment was a result of Warren's rough riding tactics going to the first turn, His action in mixing up the starters caused for Galley Slave, profiting by the mishaps to degrate the supplies of the finish.

Pat Dunne's The Peer, favorite of the closing dash, was another big disappointment. His bad showing was due to his affliction with a hemorrhage for galley Slave, profiting by the mishaps to degrate the supplies of the conditions call for an entrance of \$100 for each starter, with \$1,500 added by the association. Pat Dunne's The Peer, favorite of the closing dash, was another big disappointment. His bad s

week and an effort will be made to fit him for late winter racing.

The program book for next week was distributed to horsemen this morning.

There were quite a number of arrivals from the east today, including George Reif and "Dad", Yeager.

J. J. Flannigan has sold the two-year-old filly, Miss Von der Hoden, for \$75.

PREDICTS FLORIDA RACING WILL CONTINUE.

New York, October 28.—H. D. Brown, general manager of the Moncreif Park track at Jacksonville. Fla., has been here this week in the interest of the winter meeting at Jacksonville. Concerning his plans, he said: "We intend to run a high-class meeting and will institute many reforms. We intend to have the sport governed in a new way. A board of three stewards will be appointed, one of them a paid official. To fill that bosition I would like to secure the services of C. J. Fitzgerald, T. C. McDowell or James, Rowe. The other stewards will be representative horsemen selected by owners and trainers, one from the east and the other from the west. These stewards will have the sole power to act on appeals from rulings by the judge or the starter. The track management will take no haad in such matters and will simply insist upon square methods.

"A new system of weighing jockeys will also be inaugurated. Outside the weighing room there will be another set of scales and the boys will have to weigh over again in the presence of the trainers of the horses. Each trainer will have to sign a slip showing that the boys have weighed out and the trainer then will be held responsible for any shortage. We intend to be strict with all classes of horsemen. No favorites will be played by us and a wealthy turfman will have to walk a crack the same as a poor one. We will have the biggest winter meeting in this country and I think the racing will be of a high order of excellence. Some of the biggest owners have entered horses in our stakes and lave also engaged stable room, Jacksonville is an ideal winter resort and racing will continue there for an indefinite period."

GOVERNOR GRAY TO REST UNTIL JANUARY.

Lexington, Ky.. October 28.—Capt. J. T. Williams returned from Latonia this morning with Governor Gray, County Tax and Earl Senff. They will remain at the Kentucky Association track until January when they will be shipped to Jacksonville or Juarez. New Idea, now running out, will join the stable next week.

track, as the improvements that have been made completely change its appearance. The track has been widened and is now a sixty-foot course instead of thirty. Two hundred new stalls have been built and a modern grandstand has taken the place of the old structure. The management has secured the following to officiate: J. J. Burke, presiding judge; E. C. Smith, associate judge and racing secretary; W. M. Murray, starter, and John Campbell. clerk of the scales. The program books for the first week or ten days will be issued the coming week. J. U. "RESULTS."

"RESULTS."

"Results Count." "Talk is Cheap." "Money tells the Story." "My Sure Shot Method" has "Stood the test of time" and has produced "Winning Results" every month for over (4) years. Is that the kind of system you want or will you experiment? I sell my "Sure Shot Method" to you on an honorable "Bons Fide Gurantee" to make you "A Winner." I show you how to instantly pick a daily "One Best Bet" from the "Entries" and you name "One Horse" and "One Horse Only" and you "Win" nearly every bet you make and at good prices. Why "Guess and Experiment" when you can secure such a method? I show you how to take as little as \$25 capital and beat any "Handbook" (no other plan will do it). "My Method" is as plain as "A. B. C." and any man can use it "Successfully" at "Handbook" or "Poolrcom" or "Track." If you are satisfied to clean up from \$100 to \$306 at case of "how cheap" it is, but "How Good" it is that should appeal to you. Do you get that! If you are looking for a "Winning System" that will "Win" for vou—then let me hear from you. My "Complete Sure Shot Method" for "Handbook" and "Poolrcom" and "Track" sent promptly upon rec't of M. O. \$5. Address WM. H. SUTTON, Chemist, 2651 Orchard Avenue, :: Los Angeles, Cal.
